Welcome Shooters,

On behalf of the National Shooting Complex, I'd like to invite you to attend the 2020 Southwestern Satellite Grand in San Antonio, Tx.

If you've not been to the National Shooting Complex or visited San Antonio, you're missing something special. This shoot is ideal for the shooter and non-shooter alike. San Antonio is a beautiful city offering activities and sites for everyone.

The NSC staff has implemented many new programs that are sure to make this shoot one of the best of 2020. Make plans to attend, bring your family and a friend.

SHOOTER'S RESPONSIBILITY ENTRY AND SHOOTING PROCEDURE

- 1) Take your average card to the Handicap Table immediately upon arrival. Do not attempt to make your program entries before doing so.
- 2) Be sure your classification and handicap yardage are assigned and confirmed by a member of the Handicap Committee before you leave the table. It is your responsibility to know the rules. You are subject to penalties for shooting on wrong yardage or in wrong classification—even if your card is so marked. It shall be the shooter's responsibility to inform the Handicap Table as to his or her eligibility.
- 3) If possible, please enter all events you plan to shoot for the week at the time of your initial entry. This will save time and make things more pleasant for all shooters.
- 4) No counter checks or second party checks will be accepted by the cashier. Checks will be accepted for the amount of shooting fees only—No exceptions. NSC will accept CASH or CHECK ONLY for shoot options – credit cards will be accepted for all other services. All entries must be made in U.S. funds.
- 5) Purses and options are not compulsory. All entries close at 2PM Sunday, April 19. Payouts close at 5PM Sunday, April 7.
- 6) Any shooter that wants to re-squad or misses his squad will be charged a \$20 re-squadding fee provided such instances are not managements fault. If you re-squad, you will be placed on the same bank as your original squad would have shot. No shooter will be allowed to make up more than 50 targets on the practice traps if he or she has missed their squad. If you are unable to join your squad before they have started their third sub-event, you must pay the \$20 re-squadding fee and be re-squadded. All make-ups for either missed squads or gun repairs report to the practice traps no later than 30 minutes of when the last squad takes the line for that event.
- 7) By entering the competition, every person agrees to accept all official decisions and to abide by ATA rules. Members are strongly encouraged to know the ATA Rules and abide by them, both for their own benefit and the benefit of other shooters.
- 8) Refund Policy: Only target and option money will be refunded prior to the day of the event.
- 9) Be ready to shoot. SQUADS WILL NOT WAIT FOR TARDY MEMBERS. If you miss your squad, report to Registration, pay a \$20 re-entry fee and be re-squadded on a later squad.
- 10) In case of gun breakdown, a shooter will be allowed five (5) minutes for repair or replacement.
- 11) PLEASE CHECK YOUR SCORE AFTER FIRING AT EACH 5 TARGETS. According to ATA rules, the scorekeeper must keep the score sheet in plain view of the shooters at all times. If shooters insist on this, many arguments will be avoided. The Squad Leader (No.1 shooter) will total the score after each sub-event and initial the score sheet before leaving the trap. Errors made in totaling may and shall be corrected whenever discovered.
- 12) It is the responsibility of ladies, sub-veterans, veterans, senior veterans, junior gold, juniors and sub-juniors to see that they are so indicated on their entry cards and on the bulletin sheets so that they may be included in the competition. Report any omission on the bulletin sheet to Registration. All scores are final for purse and option calculation one hour after the last score is posted.
- 13) All information needed to: 1) award trophies; 2) award added money; and 3) make reports to the ATA is taken from the scoreboard sheets, so be sure all information is correct.

Shells

Reloads will be permitted.

A large supply of shells, in standard loads, will be for sale on the grounds at current standard prices.

Please Note: If you wish to save your shells for reloading, please transfer them from your gun to your pocket or pouch. Picking up shells from the ground is a nuisance to other shooters and will not be tolerated AT ANY TIME.

Practice/Ammunition Building/Shotgun Storage

Practice and Ammunition Building will be open on Monday, April 1 from 8AM-5PM and daily from 8AM until shoot-offs begin for the remainder of the shoot. Practice rounds are \$5.75 for 25 targets. Shotgun storage is available at the Ammo Building. The cost is \$5 per gun per day.

Campers

Reservations are required for RV/Campers because of the increased demand. Camp grounds open Saturday, April 1. If you have any questions or desire a space, please call: Olivia Gracia at 210.688.3371 ext 244 or email nscriv@nssa-nasca.com.

Rules and Regulations

- 1) Should you win or tie for high in class in any 16 yard or Doubles event or earn yardage in any Handicap event, it shall be your duty to report to the Handicap Desk and have your classification reviewed or yardage punched. Any shooter whose class or yardage is changed for any reason shall be considered to have been notified when the new class or yardage is posted on the bulletin board. Mandatory move up starts with Events #10 and #12. In all events that include class advances all shooters (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event.
- 2) Any shooter failing to carry out rule #1, or who shoots in a class or yardage higher or lower than that assigned by the Handicap Committee will be subject to penalty and will not be eligible to share in any money division or trophy whatsoever.
- 3) CATEGORY SHOOTERS: (See Rule X.D)
At all tournaments where All-American points will be awarded in any event, shooters may declare only one category (i.e. Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran, or Senior Veteran) Note: Chair shooters are exempt from this rule. Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter can fall back to the declared category. Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group. Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies. Once any declarations have been made either by shooter or shoot management, the declaration is final and cannot be changed. The only exception to this rule will be to correct an ATA classification error. All Ladies I, Ladies II, Sub-Juniors, Juniors, Junior Golds, Sub-Veterans, Veterans and Senior Veterans must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy for the duration of the tournament. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. Failure to declare your classification does not constitute an ATA classification error. Please check your classification receipt before leaving the classification window. There will be no exceptions to this rule other than noted above.
- 4) Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him/her during the period of this tournament, a check in payment for the money won may be mailed to him/her at the address indicated by ATA records, and when mailed the Club will not be liable in any manner whatsoever for any check lost, stolen, unclaimed, undelivered or otherwise not received by the shooter.

Target Requirements

All target requirements described below in items #5, #6, and #7, **MUST** be met before firing a shot in the first event of the HOA – EVENT #4 (Wednesday 4/15). After meeting the target requirement, please return to classification. Any reclassification must occur prior to your paid Entry into the first event of the HOA (EVENT #4 - Wednesday 4/15).

After the first HOA (Event #4) is completed, class and yardage may only be **INCREASED**.

- 5) Shooters who do not have a total of 1000 16 yard targets registered with the ATA in the current and previous year shall be placed in Class B or higher at the discretion of the Classification Committee.

- 6) Shooters who do not have a total of 1,000 doubles targets registered with the ATA in the current and previous year shall be placed in Class B or higher at the discretion of the Classification Committee.
- 7) Assigned yardage applies during this tournament. Shooters who do not have a total of 1000 Handicap targets registered with the ATA in the current and previous year will be assigned to the 23 yard line or their regular handicap yardage, whichever is greater. Handicap target requirements will be waived for shooters age 70 and over, making them eligible for trophies and monies. Known ability may also be applied by the handicap committee. Shooters who fail to meet the minimum handicap target requirements as described above may shoot "Targets only" from their assigned ATA yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and v trophies.
- 8) Targets will be set each morning at 7AM or upon daylight according to ATA rules. Targets will only be reset if they have become illegal or in between events.
- 9) Management shall appoint a judge or judges to be called upon for ruling on various matters when the occasion arises. If a judge has not been appointed, the President of the club, or in his absence, the Secretary shall act as judge. The scorer must call upon the judge to settle any controversy regarding a score or when he has made an error by being ahead or behind in his scoring.
- 10) Management will not be responsible for errors in scores after the options have been posted. Shooters should use the electronic bulletin board and the score board to check their scores and notify Shoot Management immediately if a discrepancy is noticed. SCORES BECOME FINAL ONE HOUR AFTER THE CONCLUSION OF THE EVENT.

system:

No twisting? No wrench?
No time wasted? No sh*t?

We're all human.

Let's face it. We're all human, and we're much more likely to do something we *should* do, when it's easy. It's just human nature. All other things being equal, we'll make the easy choice.

Well, what if the easy choice was more than just easier? What if the results were better? What if it was easier, faster, *and* better? The 360CLICK 1-turn choke connection system is the first major leap forward in choke design in years. And we mean major!

It's all so simple.

360CLICK chokes, after installing adapter, solidly mount with slightly less than one full turn as compared with currently existing chokes that require up to 18 turns to securely mount.

Sorry, no more excuses.

What could be easier? Nothing we know of!
What could be faster? Doesn't exist!
What could be better? What could be

better than shaving valuable seconds off a necessary choke change so you can spend those seconds planning your shot. What could actually be better than making an easy, quick change—c'mon, *you know you should make that*

change—to score better, no matter what your game?

The 360CLICK connection system is currently available in Browning Invector Plus, Beretta Optima HP, Beretta Mobil, and Blaser, with more configurations to follow.

Is there an easy way to get your hands on 360CLICK?

Absolutely! Come by the Briley showroom in Houston, or go to Briley.com for more information. It's really very easy.
