First Wednesday Skeet Shoots

National Shooting Complex 10:00 am

These **registered** *honors only* tournaments will be pull-your-own.

Cost is \$40/100 and \$20/50 targets. Make checks payable to Terry Olson.

We will shoot the 100 target event first, followed by the 2 50 target events.

Placing will be CH followed by Class 1st. Only CH will be shot off for each gun, and HOA CH will be shot off using the smallest gun of the day's shoot. All other class and concurrent ties will be determined by long run.

Please sign in at the club house. Make sure you put in your classes and concurrents. If this is your first time shooting with us, please leave contact information in case I need to reach you for clarification or if a future shoot needs to be cancelled or changed.

Call Terry Olson @ (210)882-0572 if you have any questions or suggestions.
