EVENT

This shooting competition consists of a miss and out sporting clays shoot-off from the podium on the Stadium Field. The San Antonio Stock Show & Rodeo Junior Shoot-Out and National Sporting Clays Association (NSCA) governing body rules apply to this event. San Antonio Stock Show & Rodeo Junior Shoot-Out exceptions take precedence over governing body rules.

DATES

The event will be held on Saturday during the Main Event Ceremony.

COST

Entry is free.

REGISTRATION

All Junior Shoot-Out Scholarship Event contestants are automatically registered.

SAFETY AND ORIENTATION

All contestants must comply with Junior Shoot-Out requirements. See page 8 and 9 of the [Junior Shoot-Out Rules](#) for all safety and orientation requirements.

PLAYERS GUIDE

A container with hulls numbered one (1) to one hundred (100) is brought to the stadium infield. One hull is drawn from the container and the number on the hull is announced. Everyone with a Junior Shoot-Out Scholarship Event score equal to that number gathers on the stadium infield. If no scores match the number on the hull, that is drawn, another hull is drawn. This continues until a hull is drawn that matches at least one score in the Junior Shoot-Out Scholarship Events. The qualifying score can come from any scholarship event but there is only one entry per person. You must be present to win. Contestants shooting a qualifying score will gather on the stadium infield to have their name, contestant number, and score verified. Once verification is complete a miss and out shoot-off begins from the podium using the shooters own gun and ammunition.

AWARDS

The winner of the Shoot-Out Jackpot will be awarded a Blaser F3 and an Americase Custom Gun Case.
