Dear Friends:

The Hill Country Retreat Lions Club will be holding their first annual Spring Festival on Saturday, May 19, 2018 in the event pavilion at the National Shooting Complex in Alamo Ranch. The Family Fest will be admission free and open to the general public. We will have vendors, food, community exhibits, music, kid's zone and fun for the whole family.

The Lions Club is the world's largest service club best known for its vision work. Lions are men and women who volunteer their time to humanitarian causes. Founded in 1917, the association's motto is "We Serve." Locally, we screen school students for vision problems and subsidize their eyeglasses. Our club also provides local community support to the food bank, veterans and much more. We also provide support and service to the Texas Lions Camp in Kerrville, Texas. Texas Lions Camp is a residential camping facility for children with physical disabilities, Type 1 diabetes and cancer.

With the help and support of people and businesses like you, we will be able to provide a great spring event for the community as well as fulfill our mission for community service. We have a selection of sponsorship levels from which you may choose. We will also be happy to work with you to customize sponsorships to fit your needs.

Thank you for your kind consideration and please don't hesitate to contact us at any time if you have any questions or need further information. We look forward to working with you to make this a fun filled event.

Sincerely,

Lion Jeffrey
President
Hill Country Retreat Lions Club
