

Dear Community Partner,

Upward Transitions Therapeutic Horsemanship (UTTH) is looking for participants and businesses willing to support or be a sponsor for our Annual Sporting Clay Event on September 15<sup>th</sup> at the National Shooting Complex. We also need donations such as gift cards, gift certificates, gift baskets or other items to be used for prizes, raffles and Silent Auction.

UTTH is a non-profit, PATH-certified program that provides horse-related activities and therapy for individuals with physical, emotional and/or cognitive challenges. Horses are non-judgmental, naturally social animals, and provide a positive therapeutic environment - something our clients benefit from and cannot get in a clinical setting.

Therapeutic horsemanship has shown results with a wide range of disabilities including: Cerebral Palsy, Autism, Down syndrome, PTSD and veterans with service-related injuries. Our riders see result through improved physical strength, social interaction, memory and motor skills. They often form a unique relationship with “their” horse, which teaches coping skills and enhances self-esteem -- the mere act of sitting on a horse turns their focus to possibilities instead of disabilities.

Registration and sponsor levels are attached. Sign up is available on our website at [upward-transitions.org](http://upward-transitions.org) or you can send a check to our mailing address below. All proceeds from our Sporting Clay Event and Silent Auction will go towards our scholarship fund and the care of our therapy horses, the heart of our organization. We look forward to partnering with our community in helping individuals with special needs reach their fullest potential.

Thank you,

*Denise*
