WELCOME

Welcome to the TSCA 2023 Texas State Sporting Clays Championship!

Hello, and welcome to the 2023 Texas State Sporting Clays Championships.

On behalf of the Texas State Sporting Clays Association Board of Directors, The National Shooting Complex in San Antonio, Texas, and our many thousands of Texas sporting clays shooters we are very thankful that you are able to be here for what should prove to be a fantastic week of competition and camaraderie.

Many of you have heard be say this, but I firmly believe that the Texas State Association's job is to grow the sport though programs, awards, and recognition. Programs for our numerous members to participate in regardless of class, concurrent or chosen game. Awards for high achieving competitors (this is a competition after all). Lastly the recognition of our members through historical honor programs like the TSCA Hall of Fame.

We greatly encourage member involvement in all aspects of TSCA business. If you are interested, please find a member of the TSCA Board of Directors and they can get you incorporated in to our many programs.

We hope that you enjoy your time in San Antonio and we trust that you will join Us in thanking our gracious hosts at the National Shooting Complex. The Texas State Sporting Clays Association serves as a voice for Texas sporting clays shooters, a job we take very seriously, and I would like to personally thank each and every one of you for your participation this week and your patronage of our great event. If there is anything I can do to help elevate your experience at the 2023 Texas State Sporting Clays Championship, please reach out.

Thank you,
Ben McAnally
President, Texas State Sporting Clays Assn.

CLAYS CARS - Individually-owned clays cars, Gators, Mules and other similar vehicles are allowed or, if you prefer, clays cars may be rented. No ATVs or 4-wheelers allowed. You must be at least 18 years old to operate a clays car. Special rules apply and permits are required for both personal and rental carts. Personal cart forms can be downloaded from bit.ly/TexasSC. A \$10 trail fee is required for all personal carts. A cart permit will be issued upon NSC receiving the trail fee and verifying insurance. For more specific information, contact Lori Bauchman at lbauchman@nssa-nasca.com. Rental Golf Cart forms are available at bit.ly/TexasSC.

PERSONAL CART INSURANCE - NSSA-NSCA-NSC has implemented a policy that proof of liability insurance is required for operation of personally-owned carts at the facility. Minimum liability, such as written for auto policies, for injury/accident is what is required. The policy is required to have reference to the cart that is to be operated and often can be added to current auto or home owner policies. Proof of insurance can be sent prior to your arrival via email to Lori Bauchman at lbauchman@nssa-nasca.com or by US Mail to:

NSC-NSCA
Lori Bauchman
5931 Roft Rd
San Antonio, TX 78253

Upon arrival, a permit, which must be displayed on the cart, will be available for pick-up in registration. If you are unable to send insurance prior to arrival, simply bring your proof of insurance to registration when you arrive and a permit will be produced and issued.

INCLEMENT WEATHER/LIGHTNING PLAN OF ACTION - At the first sign of an approaching storm, local Doppler radar will be monitored for the direction and severity of the storm. At the same time, shoot management will be strategically positioned to monitor the approaching storm for lightning and any other potential dangerous elements.

At first sight of lightning (by and/or relayed to any shoot staff), a cease-fire will be called immediately via PA system and by shoot management to each field where PA is not available. All fields will be cleared of both participants and staff, with all taking cover in available areas, i.e.: Club House, Vendor Buildings, vehicles, etc.

Shoot management will continue to monitor lightning strikes, starting a new time clock with each observed strike. At the duration of 20 minutes with no strikes, shoot management will begin the process of returning participants to the field(s) to continue with shooting. By starting this process at 20 minutes, the total elapsed time from the last strike until shooting begins is anticipated to be 30 or more minutes.

The above process will be repeated for any and all storms/lightning strikes observed.

In the event of any other dangerous elements of an approaching storm, such as extremely high winds/ tornado or hail, the same cease-fire and field evacuation procedures as above will be implemented as soon as the danger is realized.

SAFETY REQUIREMENTS- Mandatory eye and ear protection— all persons, spectators, shooters, referees and trap personnel must wear eye and ear protection on the course. Spectators and contestants assume all risks resulting from accident or loss of property occurring on the National Shooting Complex property.

SOLICITING - No literature of any kind may be distributed on the grounds without prior approval of the NSCA.

NATIONAL SHOOTING COMPLEX - Phone 210-688-3371 • Fax 210-688-3014
5931 Roft Road, San Antonio, TX 78253 • www.nationalshootingcomplex.com

OTHER INFORMATION - NSC Shoot Management reserves the right to alter or cancel any part of this program if conditions warrant. No refunds for withdrawals will be made because of weather unless the event is cancelled. Management decisions are final. In accordance with NSCA rules, Shoot Management may refuse any entry or cause the withdrawal of any contestant who annoys, endangers or interferes in any way with the harmony of the shoot or, in management’s opinion, whose conduct is unsportsmanlike.

CHAMPIONSHIP PARTY!

Saturday on the Clubhouse Patio

5 PM Cocktails

Dinner Served 5:30 - 7:30 PM

CONTINGENCY PLAN

If shooting of any Main Event Course or Courses, at the TX State Shoot are cancelled by shoot management, due to the occurrence of dangerous weather conditions, natural disaster, act of God, or events beyond the direct, immediate control of the club or Shoot management of the TX State Shoot, the following procedure will be used to establish all awards including the TX State Shoot Champion and all Class and Concurrent Awards.

In the event of any cancellation for any event by shoot management, a refund will be given to anyone affected by the cancellation. In the event that anyone has made the decision to drop out from any event on their own accord without shoot management cancelling the event or rotation they will not be given a refund.

In the event of course cancellation on any rotation that cannot be made-up, all competitors will receive on all rotations the corresponding total of targets (i.e. 66, or 68) depending on which course they were not able to complete. If any competitor is not capable to complete at least two courses there will not be TX State Champion Crowned.

If there is any cancellation due to conditions deemed appropriate by shoot management, then all misses will be counted based on the targets attempted. The total number of misses will determine the number of competitors in the shoot offs to determine all Class and Concurrent champions including HOA, Runner-up, and Third.

In the Main Event 10 competitors in each class will be taken to shootoffs as well as 5 in each concurrent determined by the total number of misses. These shootoffs will consist of an initial 10 targets in the shootoff location followed by a miss and out format to determine the class and concurrent champions.

HOA, RU, and 3rd will be determined by taking the top 10 competitors based on total misses for the completed courses. They will compete in a 25 target super final which will be followed by another 25 bird super final until the HOA RU and 3rd positions are determined.

All shoot off targets will be added to the total accumulative score from the main event rotations that were completed.

Certainly no contingency plan for an uncontrollable event or series of events can cover every possibility; or, incorporate the multitude of alternative approaches each shooter might prefer. To be workable, the plan must be straight forward, simple as possible, and executable. The above plan most closely fulfills these objectives.

We are glad you are here on this momentous occasion to enjoy the festivities.
