RULES GOVERNING THIS TOURNAMENT

1. All contestants will be eligible for trophies.
2. All options are open to anyone who pays the option entry fee, and all options are paid on a percentage basis unless otherwise stated. NSC will accept cash or check only for shoot options. Credit cards will be accepted for all other services.
3. In all events, the squadding will be done at the squadder's discretion.
4. Targets will be set according to ATA specifications. They may be checked upon request of shooters, but will not be reset unless they have become illegal.
5. *The Management reserves the right to refuse the entry of, or to disqualify any shooter who in its opinion, is interfering with the harmony of the tournament.
6. *The Management reserves the right to postpone or cancel any event due to bad weather or other causes, and to change the time for starting any or all events.
7. *The Management may challenge the load of any shooter. The Management shall obtain a shell from the challenged and, after examination, if it is found the contestant violated the rules, he/she may be disqualified, and the incident reported to the officials of ATA.
8. It is an error if the scorer fails to properly mark the results of any shot in the section of the score sheet where the results should have been recorded. In such cases it is the duty of that contestant to have any error corrected before he/she has fired the first shot at the succeeding position or in the case of his last post before he leaves the trap field. Failing to do so, he shall be held to the score as recorded.
9. If you wish to save your shells for reloading, please transfer them from your gun to your pocket or pouch. Picking up shells from the ground is a nuisance to other shooters and will not be tolerated AT ANY TIME. All hulls that hit the ground are the property of the NSC.
10. No shooter will be able to make up more than two sub-events on the practice trap (except for doubles in which only 1 trap can be made up), if he or she has missed his/her squad. A shooter unable to join his squad before the squad has starting firing on the first station of the third sub-event, must be re-squadded. All make-ups for either missed squads or gun repairs must report to the practice area within 30 minutes of the last squad taking the line for that event.
11. Squads will delay a start for only three (3) minutes. If there are squad members absent, at the expiration of three (3) minutes, the squad will be started.
12. Shotgun storage is available at the Ammo Building. The cost is \$5 per day per gun.
13. Shells are available and may be purchased from the National Shooting Complex.
14. Contestants will forfeit, should they leave the grounds and not be on hand for a shoot-off.
15. All events will be carried over to the next like event or shot off at the discretion of management, except in the case of yardage increases.
16. The National Shooting Complex and Zone V are not responsible in the event of accident, theft or injury.
17. We suggest you enter yourself and squad for the entire program, changes are acceptable.
18. All Ladies, Juniors, Sub Juniors, Sub Veterans, Veterans and Sr. Veterans must declare their special category at the time of their entry in any registered event.
19. In all events in which trophies are given for the champions, the winners of any such trophies become ineligible for class trophies in the same event.
20. Any type of abuse of trap personnel will not be tolerated. Any problems shooters may encounter should be referred to the Zone 5 Officers.
21. This program may be changed or altered at the discretion of the Zone V Officers.

SCHREINER UNIVERSITY SHOTGUN SPORTS PROGRAM

2100 MEMORIAL BLVD | KERRVILLE, TX 78028 | SCHREINER.EDU

The Shotgun Sports Program at Schreiner University has evolved significantly since its inception in 2006 as a club sport. Now proudly part of the Athletic Department, we've established ourselves as one of the leading shotgun sports programs nationwide. This achievement is credited to our dedicated and talented competitors who have excelled at every level of competition, both domestically and internationally.

Our student athletes enjoy unparalleled training opportunities at top-notch facilities. While the Hill Country Shooting Sports Center serves as our home base, we also benefit from quality training sessions at the esteemed National Shooting Complex in San Antonio, Texas.

WHY JOIN OUR TEAM?

Because Schreiner University is dedicated to preparing students for impactful careers and purposeful lives in an ever-changing global landscape. Our personalized, integrated education approach, coupled with a vibrant learning environment, forms the essence of the Schreiner Experience. From day one on campus, students receive all required course materials at no additional cost.

Our student athletes compete in a diverse range of events, including American Trap, Trap Doubles, American Skeet, Skeet Doubles, Sporting Clays, and Super Sporting, especially with the recent modifications to the National Tournament format. They are expected to maintain minimum grade standards, attend weekly practices, actively participate in volunteer and fundraising initiatives, and uphold a respectful image that reflects themselves, their team, and the University.

WHAT CAN YOU EXPECT FROM COMPETITIONS?

Throughout the year, we participate in six to eight events encompassing various NSSA, NSCA, ATA, and SCTP/ACUI competitions.

WHO CAN GET INVOLVED?

The Schreiner University Shotgun Sports Program welcomes shooters from diverse backgrounds, including those with experience in 4H, FFA, SCTP, USAYESS, and other youth target leagues. All are encouraged to try out for the team during the Fall semester.
