

## ELITE GOLDEN TICKET

For the first time at the Junior Shoot-Out, Elite Shotguns is sponsoring their signature Golden Ticket!

Golden Ticket Stations will be clearly marked on each Main Event Sporting Clays course, with one dedicated station selected per course.

To earn a Golden Ticket, you must shoot a dead pair on the Golden Ticket Station. It can be any pair on that station, and once you hit a dead pair and complete that station the trapper will award you ONE Golden Ticket. After finishing your round, put your name, competitor #, and phone # on your ticket and drop it into the Golden Ticket bucket at the Elite Shotguns building on Vendor's Row. Everyone shooting the Main Event Sporting Clays has a chance to win a Golden Ticket!

Disclaimer: The Golden Ticket promotion applies only to the Main Event Sporting Clays, not to other disciplines. Shooters can earn just one Golden Ticket; breaking two pairs at the Golden Ticket Station will not result in an extra ticket.

Drawings will be conducted at the end of each day, on Friday and Saturday, with all winners announced during the evening events. Anyone winning a golden ticket on Friday will be included in the drawing Friday night.

There will be two drawings on Saturday night; the first will be for tickets turned in on Saturday. The second drawing will be a combination of Friday and Saturday tickets.

Must be present to win. Lost tickets will not be replaced.
