RULES GOVERNING THIS TOURNAMENT

1. All contestants will be eligible for trophies.
2. All options are open to anyone who pays the option entry fee, and all options are paid on a percentage basis unless otherwise stated. NSC will accept cash or check only for shoot options. Credit cards will be accepted for all other services.
3. In all events, the squadding will be done at the squadder's discretion.
4. Targets will be set according to ATA specifications. They may be checked upon request of shooters, but will not be reset unless they have become illegal.
5. *The Management reserves the right to refuse the entry of, or to disqualify any shooter who in its opinion, is interfering with the harmony of the tournament.
6. *The Management reserves the right to postpone or cancel any event due to bad weather or other causes, and to change the time for starting any or all events.
7. *The Management may challenge the load of any shooter. The Management shall obtain a shell from the challenged and, after examination, if it is found the contestant violated the rules, he/she may be disqualified, and the incident reported to the officials of ATA.
8. It is an error if the scorer fails to properly mark the results of any shot in the section of the score sheet where the results should have been recorded. In such cases it is the duty of that contestant to have any error corrected before he/she has fired the first shot at the succeeding position or in the case of his last post before he leaves the trap field. Failing to do so, he shall be held to the score as recorded.
9. If you wish to save your shells for reloading, please transfer them from your gun to your pocket or pouch. Picking up shells from the ground is a nuisance to other shooters and will not be tolerated AT ANY TIME. All hulls that hit the ground are the property of the NSC.
10. No shooter will be able to make up more than two sub-events on the practice trap (except for doubles in which only 1 trap can be made up), if he or she has missed his/her squad. A shooter unable to join his squad before the squad has starting firing on the first station of the third sub-event, must be re-squadded. All make-ups for either missed squads or gun repairs must report to the practice area within 30 minutes of the last squad taking the line for that event.
11. Squads will delay a start for only three (3) minutes. If there are squad members absent, at the expiration of three (3) minutes, the squad will be started.
12. Shotgun storage is available at the Ammo Building. The cost is \$5 per day per gun.
13. Shells are available and may be purchased from the National Shooting Complex.
14. Contestants will forfeit, should they leave the grounds and not be on hand for a shoot-off.
15. All events will be carried over to the next like event or shot off at the discretion of management, except in the case of yardage increases.
16. The National Shooting Complex and Zone V are not responsible in the event of accident, theft or injury.
17. We suggest you enter yourself and squad for the entire program, changes are acceptable.
18. All Ladies, Juniors, Sub Juniors, Sub Veterans, Veterans and Sr. Veterans must declare their special category at the time of their entry in any registered event.
19. In all events in which trophies are given for the champions, the winners of any such trophies become ineligible for class trophies in the same event.
20. Any type of abuse of trap personnel will not be tolerated. Any problems shooters may encounter should be referred to the Zone 5 Officers.
21. This program may be changed or altered at the discretion of the Zone V Officers.

Good Luck at the Zone V Shoot!

Hope to see you soon!

Good Luck to All Zone 5 Shooters

Watch for announcements on the TTA website, TTA Facebook page, as well as the Fort Worth Trap and Skeet Facebook page about our new location coming late summer.

TTA members,

As I write this at the end of the Zone 4 shoot in Waco we have begun pushing dirt at our new location. We have a projected 90-to-100-day schedule to get us to 90-95% and a punch list with the general contractor.

As we are ending a historic run at 1064 FM 2871 in Fort Worth, we carry our 75 plus year history to a new location off FM 1902 and Chisholm Trail Toll Road. We are part of a historic joining of forces on 225 acres with Defender Clay Sports Ranch. Defender owns 120 acres and we own 115 acres. We will continue to have 7 trap fields, 4 of which are skeet and trap combo fields with one being a bunker combo. 3 trap fields are stand-alone trap fields, and then we will have an international skeet field that is a combo field.

My vision was to get enough ground to give the TTA a home ground to serve as a central location for all of us but finding that ground was impossible. I do believe I can purchase some land to our West at some point and get 2-3 more trap fields in and have 9-10, which under current TTA By-Laws is not enough to hold a state shoot. We can sure throw a state shoot on that many fields in July, but a By-Law change would be needed.

Where the vision of a home ground was never realized in the TTA earlier days, it was a big focus of mine to try to get it, but at the end of the day I had to do what was best for our 350-400 members and get them a new club. If I get the land to the west of us, at least our Bair Hatcher and other shoots will be able to grow to give more shooters the chance to shoot.

Thank you for shooting with us and I look forward to hosting you are more shoots at our new location.
